

# Countdown to clean hands with soap and water

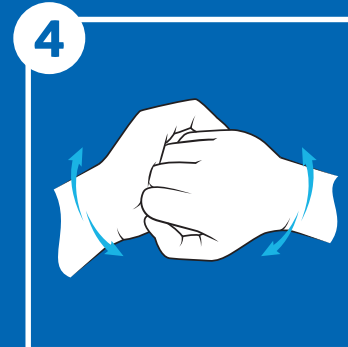

**1** Wet hands with water.

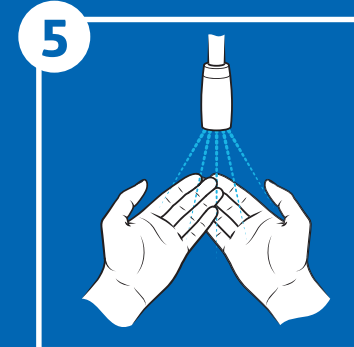

**2** Apply a palmful of the product in a cupped hand.

**3** Rub hands together—palms and backs—then switch hands.

**4** Rub the backs of fingers on the opposing palms

**5** Rinse hands with water.

**6** Dry hands with clean towel—  
you're now clean and ready to go.

All it takes is  
20 seconds.
