

Spectrum™ Pro Dispensing System

Drive hand hygiene compliance with our most advanced dispenser.

We thoughtfully designed our Spectrum Pro dispensing system to be the cornerstone of your hand hygiene program. It offers the features, dependability and simplicity you need to ensure that clean, hydrated hands are always at your fingertips.

Long battery life
Keeps the dispenser pumping for a longer period of time

Maintenance mode
Doesn't trigger while it's being worked on

Visible fill levels
Indicates when to change out refills

Multi-dose settings
Adjusting the dosage is as easy as 1, 2, 3

Quiet Drive +
The quietest pumping system yet, dispensing product at only 52.5 decibels

Touch-free or manual
Options to fit your organization's preferences and needs

Improved product output
Dispenses enhanced "cloud-like" foam

Clean-tip technology
Self-cleaning function to reduce clogging
